THE BIBLE COURSE FOR GROUPS

An eight-session course helping you explore the BIG story.

Whether you're well versed in Scripture or new to the Bible, *The Bible Course* offers a superb overview of the world's best-selling book. The course will increase your confidence, equip you to read the Bible better and help you to see its relevance to daily life. Over eight interactive sessions, it combines video teaching, group discussion, personal reflection and daily readings.

Meeting people in groups, where everyone shares their thoughts and experiences, lies at the heart of *The Bible Course* as everyone learns from each other.

A typical session includes:

- 2 x 15-minute teaching video
- Discussion & Reflection times
- Readings to explore between sessions.

As well as the excellent videos the course provide a beautifully presented and accessible manual available for just £5.99. The course makes use of a "timeline" diagram to help understanding the order and links between the different elements of the Bible from Genesis through to Revelation.

We are making the course available **in-person** at Felixstowe URC and **online** (via Zoom). You are welcome to join either presentation or a combination if that helps. The sessions will be led by ministers from the URC and Methodist Churches but all are welcome to join in. We need to know numbers in order to make the materials available in advance. If you are not available for some sessions these can be caught up with individually.
